As wide as the ocean and with as many shades and hues - that’s the diversity and reach of our brilliant members of HKBU’s alumni community! Nurtured at HKBU under the ethos of Whole Person Education, our alumni boast a variety of talents, many of which they honed at their alma mater before going on to wow the world. To commemorate the 60th Anniversary of HKBU, alumni and friends have come together in love and loyalty, pooling their expertise to stage a multimedia “We are Buddies” Alumni Show, exhibiting the University’s milestones and unceasing effort to foster extraordinary talent and all-round achievers.

In this special show, we revisit the obstacles and challenges faced by our founding President Dr. Lam Chifung. The show features a dramatic re-enactment of landmark achievements and significant milestones since HKBU’s establishment.
